

**Coming Back to School**

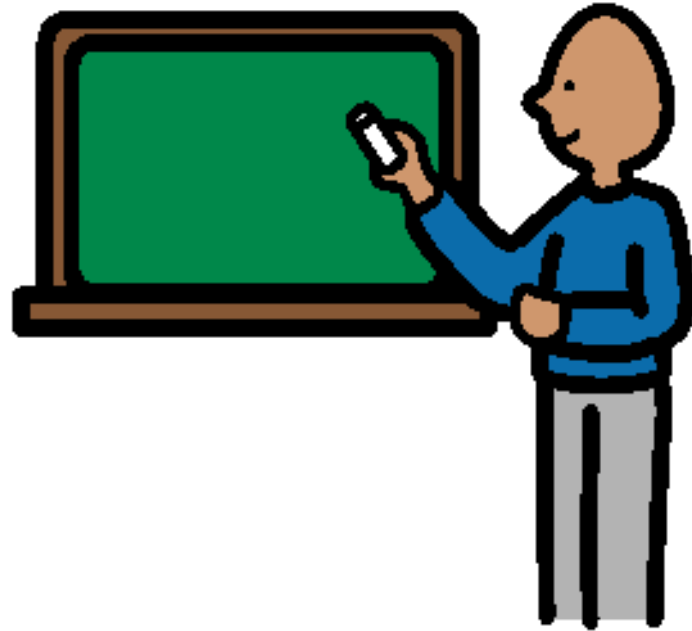

At Croydon SDS, we are creating success by caring, sharing, doing our best and being safe.

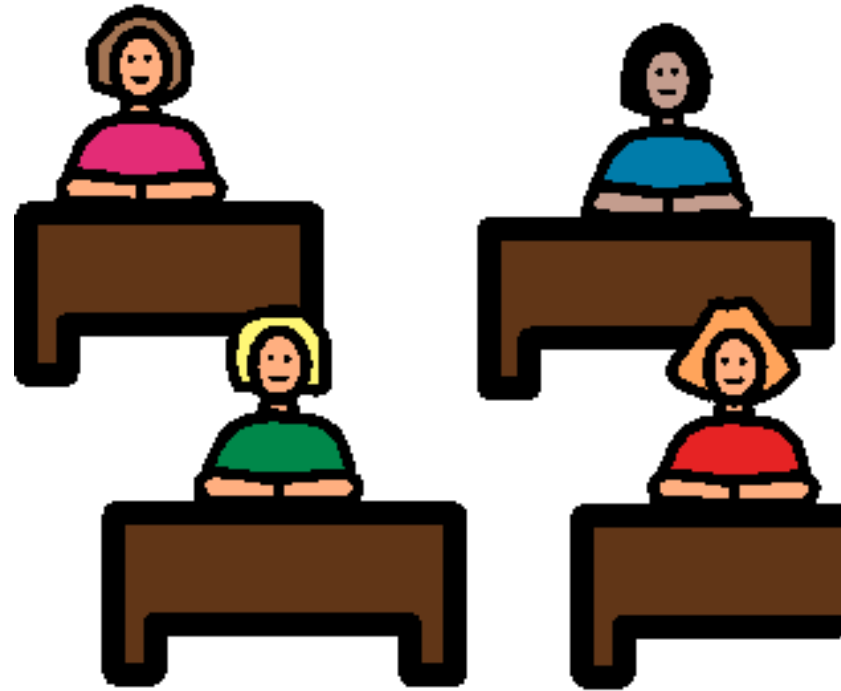

Next week, you can come back to learn at school.

It will be fun to come to school.

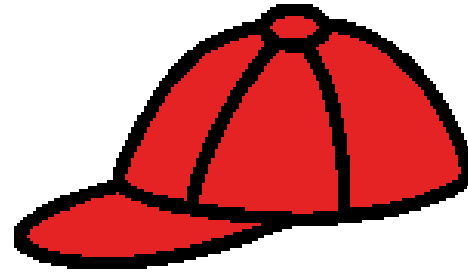

You will see school staff.

You will see your friends.

You will need to remember your school bag, your lunch box, your drink bottle, your diary and your communication device.

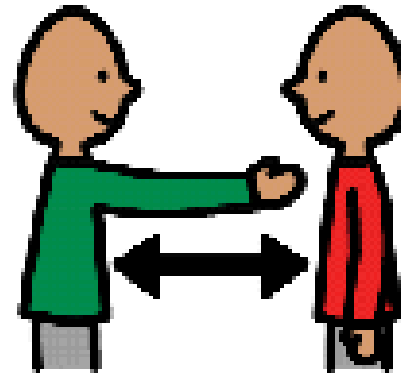

Remember your hat and sunscreen for playtime.

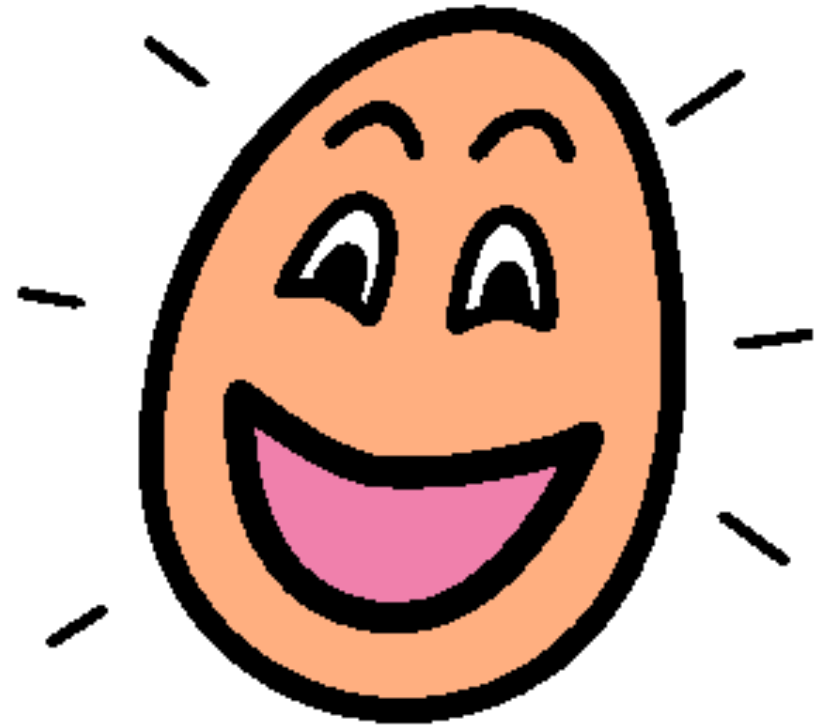

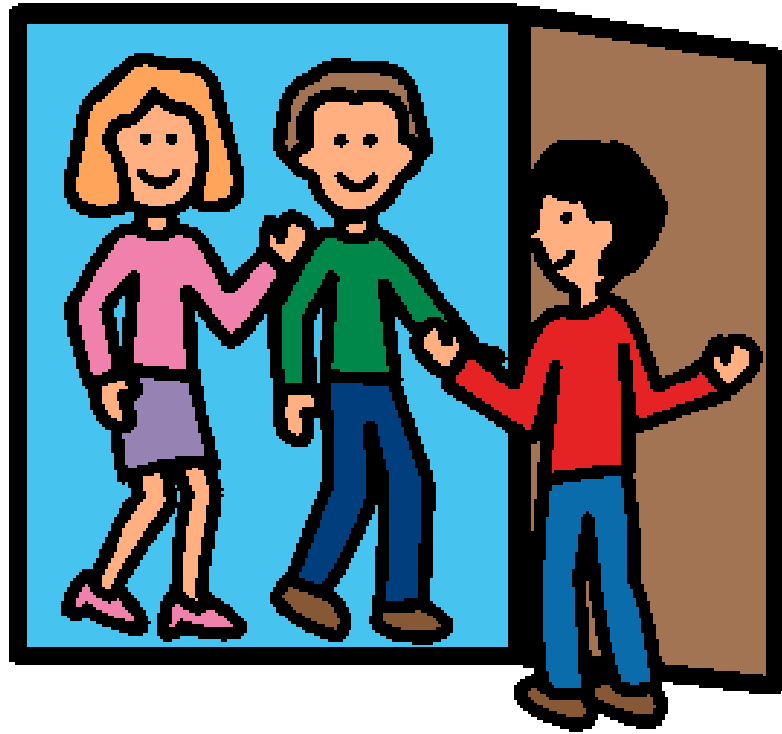

You can wear a mask at school if you would like to.  
Staff at school might wear a mask in the classroom.  
Staff will wear masks in the playground.

At school, you will need to wash your hands.  
At school, you will need to stay an arms lengths away  
from other people.

Everyone will be happy that you are back at school.  
They will say “Welcome back!”
